

Feed my Lambs

Hello and Happy Springtime!

Winter is almost completely behind us, and the prospect of a fun summer is ahead. We

all look forward to sunny lunches on the patio, going swimming, baseball games with hotdogs and sodas, and those oh-so-needed exciting summertime vacations.

But please remember that the orphans we care about are facing another summer of sweltering heat, dangerous insect bites, deadly parasites, and lonely sleepless humid nights. And we have heard from some caregivers that they still do not have enough food to feed all of the orphans every day.

Thank you to those who have made the pledge to feed one or more orphans every day, and to those making a one-time donation or an occasional donation. However, there are still many that have not made a pledge or given one gift at all.

The orphans pray every day for food. So take this opportunity and be the answer to their prayer. Make your pledge online at www.FoodforOrphans.org or send in the tear-off reply section on this newsletter.

Please ... make the pledge to feed at least one hungry orphan. Share what God has given you with a little one that has nothing.

Thank you,
Gary VanDyke
President

Food for Orphans Delivers ONE-MILLION MEALS

We have a wonderful milestone to commemorate with you. With your help, Food for Orphans has now delivered over **ONE MILLION MEALS** to orphans! This is an exciting event and one for which we should all be thankful and celebrate.

This historic meal was part of a shipment of 285,000 meals that we sent to the orphans in Haiti and the Dominican Republic. In addition to those recipients, we shared the food with a school of **93 deaf children**. These children have been ridiculed all of

their lives because of their disabilities and have received little encouragement or support. This food shipment sent a message to them that there are many **Americans** that care about them, respect them, want to encourage them, and give them hope. **Congratulations** ... you have blessed them far more than they have ever been blessed!

All of the orphans were **excited** when they heard that a shipment of food from America was coming. But that was nothing compared to the **celebration** when the food actually arrived at the orphanages.

These meals are pre-packaged and just require boiling water. The meals were formulated by the scientists at three major food corporations to save the lives of starving children and your loving gifts make it all possible. Now the orphans know that they will have food to eat for the next

several months. **Thank you!** Now join in and help us ship another container of food to more orphans who are hungry and waiting.

Zimbabwe Orphans Need Your Help

According to the World Health Organization, life expectancy in Zimbabwe is one of the lowest in the world. AIDS is the #1 cause of death for children under age 5 and parents dying of AIDS was the #1 cause of orphans. Largely because of the AIDS crisis, nearly one-quarter of all children in Zimbabwe are orphaned. 25% of all children in Zimbabwe have AIDS.

The country is suffering under an 80% rate of unemployment. So even if the orphan has a distant relative, there really is

Haven't the orphans suffered enough?

no one to help them. Please pray for 14 year old Memory, an orphan whose uncle promised her a shopping trip, only to rape her when they were alone. She reported it to the police and the man was arrested. She is physically fine now, but she is not doing very well emotionally.

Food for Orphans makes it possible to find orphans like Memory, and help them before someone else takes advantage of them. So we are arranging for a special food shipment to feed the orphans struggling to survive in Zimbabwe.

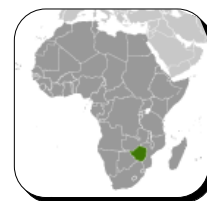

How You Can Help

We will ship 285,000 nutritious meals to the orphans in Zimbabwe if we can raise the \$16,000 shipping cost. So join in and ship 5,000 of these donated meals with your gift of \$150. This is a special shipment that the orphans need

desperately. The food has been donated, so now we need your generous donation to get this huge shipment to the orphans.

To make your donation, use the tear-off coupon at the bottom of the page or go online to our website:

www.FoodforOrphans.org and then click on the red **Donate Now** button.

Food for Orphans Student Advisory Council

Food for Orphans is looking for outstanding students to be part of our Student Advisory Council. Members will have an active role and a chance to participate in some important operations of our international charity.

Students must have a desire to make a difference in the world and have a heart for the hungry and hurting. Members get to try out different functions of a non-profit such as networking, marketing, advertising and fundraising. This is an exciting journey, giving them valuable experience that will help them in college

and their chosen careers.

In addition, each student can qualify to receive a letter from the White House signed by the President of the United States, a lapel pin, and a Certificate of Achievement from Food for Orphans.

Food for Orphans' goal is to mentor the next generation of leaders in life, business, and mission. To nominate your outstanding student today, send an email to Val@foodfororphans.org or call 888-219-0779.

Nominate your favorite student today and started them on a better tomorrow.

Pocket Change

50¢ ... Provides **ONE** orphan with **ONE** meal.

\$15 ... Feeds **ONE** orphan every day for **ONE** month.

If you are already feeding **ONE** or more orphans ... **THANK YOU.**

If you haven't made a pledge, please do it now. Giving just 50¢ a day will save the life of **ONE** little orphan.

Make your pledge to feed **ONE** orphan below or go online to www.foodfororphans.org and click the **Donate Now** button.

Please check one:
