

# Feed my Lambs

FOOD FOR ORPHANS NEWSLETTER

Hello my Friend,

As 2011 finally winds down, I realize that not everyone knows how easy it is to raise the funds to provide food to orphans. So this issue of "Feed my Lambs" will give you a few ideas on what you can do to help Food for Orphans feed orphans.

I really want you to know that I appreciate each and every gift to Food for Orphans. There is no denying that this year has been tough financially. But with God's help, and

your generosity, 2011 will end up being a great year for the orphans. **You can do this!**

Please read the many ways that you and your friends can impact the work we do on behalf of orphans worldwide.

Let me know if there is anything I can do to help you feed the orphans. God bless you,

*Gary VanDyke*

President of Food for Orphans

# Host a Food Packing Event

A Food for Orphans food-packing event is a **“Hands On”** experience where you pack the actual food that the orphans will eat. Volunteers package and ship **life-saving meals** of rice, protein, vegetables, chicken bullion, vitamins, and minerals to hungry orphans around the world.

Food Packing Events are fun-filled activities where **any one of any age** can participate, making them fantastic church/team building or family day events. The food you pack will be shipped to a **verified** international orphan project, enabling you to follow its usage & impact. These events are low-cost alternatives to actual mission trips

Each complete package contains six highly **nutritious**, vitamin fortified, and delicious easy-to-cook meals that have been specifically designed by scientists to save the lives of starving children ... **all for only 23¢ per serving.**

To view a 3 minute video about our food packing events, go to our website [www.FoodforOrphans.org](http://www.FoodforOrphans.org) and click on **“Churches”**.

# Donate a Car, Truck, or Whatever

# Feed ONE Orphan

The very **heart** of what Food for Orphans does is to make sure that as many orphans as possible receive **at least one** nutritious meal every day. Without your help, an orphan may suffer needlessly.

The best way to feed orphans is to make a generous donation, preferably a **recurring donation** every month. You can use the tear-off coupon below, make your donation at our secure website [www.FoodforOrphans.org](http://www.FoodforOrphans.org), or call us toll-free at **888-219-0779**.

This is a **crucial time** of year as many orphans are suffering with little to eat. Be their **HERO** and make a **Faith Pledge** to feed at least **ONE**.

It only costs **50¢ a day** ... \$15 for a month of food. I know you can't feed them all ... but **you CAN feed ONE**. Please ... make a faith pledge now to **feed ONE orphan**.
